

SIR C.R REDDY COLLEGE OF ENGINEERING

Department of Computer Science and Engineering

Criterion 1: Vision, Mission, and Program Educational Objectives

1.1 Vision of the Institute

To emerge as a premier institution in the field of engineering education and research, producing globally competent professionals with strong ethical values.

1.2 Mission of the Institute

- To provide state-of-the-art infrastructure and conducive learning environment.
- To foster industry-institute interaction for practical exposure.
- To encourage innovation, research, and entrepreneurship.

1.3 Vision of the CSE Department

To be a center of excellence in Computer Science and Engineering, empowering students with advanced technical knowledge and problem-solving skills to meet industry demands.

1.4 Mission of the CSE Department

M1: To impart quality education through a well-designed curriculum and modern teaching methodologies.

M2: To promote research and development activities in emerging technologies like AI, IoT, and Cloud Computing.

M3: To instill professional ethics, leadership qualities, and lifelong learning attitude.

1.5 Program Educational Objectives (PEOs)

PEO1: Graduates will have successful careers in software industry, research, or academia.

PEO2: Graduates will apply their technical skills to solve complex engineering problems.

PEO3: Graduates will exhibit teamwork, communication skills, and ethical behavior in their professional lives.
