

Criterion 8: First Year Academics

8.1 First Year Faculty

The First Year department (Basic Sciences and Humanities) comprises highly qualified faculty in Mathematics, Physics, Chemistry, and English. The Student-Faculty Ratio for the first year is maintained at 20:1.

8.2 Induction Program

A mandatory 3-week induction program is conducted for freshers as per AICTE guidelines. It includes:

- Familiarization with the department and campus facilities.
- Lectures by eminent personalities.
- Proficiency modules in English and basic programming.
- Extracurricular activities and sports.

8.3 Academic Performance in First Year

The pass percentage of first-year students in the CSE branch has been consistently above 85% for the last three years. Remedial classes are conducted for slow learners identified after the first mid-term exams.

8.4 First Year Laboratories

Well-equipped labs for Engineering Physics, Engineering Chemistry, and Basic Programming ensure practical exposure from day one.
